

## Conference Highlights and Feedback

The Ontario organizers received great feedback to the conference hosted by VRA Ontario Society and held on June 9–11, 2010 in Niagara Falls. We had a great response to our survey with over 80% of the participants offering their input. We've included a few of the highlights of each day:

### Wednesday June 9, 2010:

"Sessions were **informative, interesting and engaging**; Great take-away from today's sessions. Have hands-outs available at the sessions, Please. This was a great day, all my sessions were **inspiring**."

*A briefing with The Honourable David C. Onley*

### Thursday June 10, 2010:

"**Relevant** topics; I picked up some **good techniques** from my session today; **Enjoyed** the presenters—just one session today could have offered more tools and less research; Room too cold; Room too hot."

### Friday June 11, 2010:

"Ethics session was a resounding highlight; I was **impressed** with the Ethics presentation: **Amazing** and **inspirational** conference."

## Volunteer for Your Association!

Becoming a volunteer is the best way to connect with fellow VRA members, develop your leadership skills, and become an integral part of the VRA community. VRA Ontario is a volunteer-run organization, and serving as a volunteer on Board of Directors or Committees gives members the opportunity to make a difference in the rehabilitation industry. As we approach the VRA Ontario Annual General Meeting, we are looking for new Board members for the 2010-2012 term.
